PROPOSITION

THE STATES are asked to decide whether they are of opinion -

to approve the transfer of administration from the Public Health Committee to the Housing Committee of land at the Grouville Hospital site as outlined in the Public Health Committee's report dated 2nd October 1991.

PUBLIC HEALTH COMMITTEE

REPORT

On 24th April 1990 the States adopted a proposition of the Public Health Committee (P.38/90) for the construction of a day care centre for elderly people on Field 77, Le Chemin des Maltières, Gorey, which would release land on the Grouville Hospital site with potential for 20-22 housing units.

Building work has now commenced on the day centre project and the Housing Committee wishes to proceed with preliminary works for the development of the Grouville Hospital site. The Committee, therefore, feels that it would be appropriate for the land, as detailed in the attached plan to be administered by the Housing Committee.
