Re: [REDACTED]

I have made contact with [REDACTED] who is a registered foster mother. She is able to take [REDACTED] from Tuesday, 15th March p.m. Tel.: [REDACTED].

She has proved excellent in caring for young children and apart from clothing there are no problems with equipment.

There are also no problems should [REDACTED] be in hospital above the eight days indicated.

I will leave it with you to make the arrangements to admit the [REDACTED] children, if there are problems I could assist.

Child Care Officer (Fostering)
