

[Redacted Name]	[Redacted Form]	2	1981
Name	Form	Term	Year

This is a very encouraging report for [Redacted]. She has given her best in most subjects with the exception, perhaps, of History and P.E. [Redacted] must try harder in these areas.

Within the form, [Redacted] is co-operative and participates well in activities. She is an enthusiastic member of the group.

A sound year's work. Well done, [Redacted].
