

29th April 1974

Dear [REDACTED]

I write to inform you that at its last meeting the Education Committee decided that it wished to recognise the valuable service you gave to the children and the Committee in [REDACTED] Haut de La Garenne following the resignations of [REDACTED] in 1973 and [REDACTED] in 1974. The Committee has therefore authorised an ex gratia payment to you of £60 and you will in due course receive a cheque for this amount from the Treasurer of the States. May I add my own personal thanks.

Yours sincerely,

Director of Education
