NB: To mark the end of Phase 1, Mrs Oldham will be making a statement at the end of Friday's hearing. Channel TV have once again very kindly agreed to provide a pool crew to film the statement in advance on Thursday morning under a strict embargo.
As before, we will provide content details and the footage as soon as they are ready in order to help you plan your coverage.

Liz is arriving in Jersey tonight and will be with you all week. She will alert all outlets as to the lifting of the embargo as soon as Mrs Oldham has finished making the statement after the final hearing on **Friday (11th) afternoon**. The video will also be simultaneously published on the website and social media etc for the general public.

There must be no mention of the video or statement until the embargo is lifted.

If you have any further queries, please do not hesitate to get in touch.

Kind regards,
Anna & Liz
